## Fix your items

Work with skilled volunteers to repair instead of replace.

## Reduce waste

Small fixes can have big impacts. Why buy new when you can repair?

## Learn new skills

Learning how to sew on a button can inspire entirely new skill sets!

## What to bring

- Clean clothes and textiles
- Bicycles
- Small electronics
- Small home appliances
- Tools or knives to be sharpened
- Jewelry

Some repairs may not be available at every event or may require a part we don't have. To confirm an item you want to bring can be repaired, please email [sustainability@clackamas.us](mailto:sustainability@clackamas.us).

For a list of unaccepted items, please visit [repairfair.org](http://repairfair.org).

To reduce the wait time for each attendee, one broken item per person will be examined at a time.
