Dear Mr. Edmonds:

This is to acknowledge receipt of The City of Wilsonville's flood damage prevention ordinance. Based on our review, we have found that the ordinance is substantially compliant with the pertinent National Flood Insurance Program regulations with one exception; your ordinance should include watercourse sections.

Please send a copy of your revised ordinance including watercourse sections by June 30, 1987, so that we may send you a compliance letter, thereby completing the process. If I can be of further assistance, please call me at (206) 486-7285.

Sincerely,
