Public Works Director

SUBJECT: Approval to Bid - Memorial Park Sanitary Sewer

Plans and specifications have been completed to bid the Memorial Park sanitary sewer line attached hereto. Funds are available from the Park Fund at the present time of \$5,700.00 to complete the construction of this project. Allocations were made for the 1982/83 Budget for the total of \$7,000.00 to do the project in the 82/83 fiscal year.

Since the funds are available at this time in the Park Fund, and the general consensus indicates some \$1,300.00 would be saved by completing the project in the 81/82 fiscal budget year, then the project should be done this year if possible.

The time table for the completion of this project would be however as follows:

1. Advertise for bids May 4, 1982, after approval by Council. Add to run 10 days. Bid received and processed for Council on May 14, 1982.
2. Recommendation to accept low bidder for May 17, 1982, Council Meeting.
3. Contingent upon whether Council would award contract or not, notice to proceed June 1, 1982.
4. Project would possibly be completed on or before June 21, 1982.

Recommendation

Approve Public Works Director to advertise the Memorial Park Sanitary Sewer for bid proposals.
