

RESOLUTION NO. 298

A RESOLUTION APPROVING THE PURCHASE OF AN EPOKE TM 60 SPREADER

WHEREAS, the City Staff has prepared a report on the above captioned subject which is attached hereto as Exhibit "A", and

WHEREAS, the City Council has duly considered the subject and the recommendation(s) contained in the staff report, and

WHEREAS, interested parties, if any, have had an opportunity to be heard on the subject,

NOW, THEREFORE, BE IT RESOLVED that the City Council of the City of Wilsonville does hereby adopt the staff report attached hereto as Exhibit "A", with the recommendation(s) contained therein and further instructs that action appropriate to the recommendation(s) be taken.

ADOPTED by the City Council of the City of Wilsonville at a regular meeting thereof this 7th day of March, 1983, and filed with the Wilsonville City Recorder this same day.

WILLIAM G. LOWRIE, Mayor

ATTEST:

DEANNA J. THOM, City Recorder

CITY OF WILSONVILLE

MEMO

DATE

TO: Mayor and City Council

FROM: Larry R. Blanchard *L.B.*
Public Works Director

SUBJECT: Approval to Purchase Epoke Spreader

The City of Wilsonville Public Works Department over the last 18 months has utilized an Epoke TM 60 Spreader. The Epoke TM 60 spreader is a trailer spreader which is attached to a pickup truck and can be manual operated from the truck by electronically opening and closing the gate on the fill box. This allows the continual operation by one person rather than the conventional two man spreader. The TM 60 has a 3/4 yard fill box.

The Epoke TM 60 Spreader has had the following uses over the months we have rented it.

1. When roads become icy or slick due to snow or freezing weather the TM 60 is a sander. The only other method utilized prior to Winter 1981 was 2 men standing on the dump truck throwing sand as the truck drives on the slick roads. This creates a very dangerous situation. With the new LID #6 Bridge it will be imperative to keep road sanded at all times during snowy/icy weather.
2. Use the TM 60 as a small dump truck for smaller water, sewer, street, storm sewer, and park repairs. This is cost effective because the Public Works Crew can use the dump truck for larger jobs.
3. The TM 60 is used for the spreading of some fertilizers and chemicals for the some 40 acres of mowing area.
4. Small leveling jobs for pouring concrete or leveling ball diamonds.

The City has the option of renting this price of equipment when needed for a cost of \$7 per day or \$200 per month, or the City can purchase the Epoke TM 60 Spreader for \$287.50. The reason this is possible is because Environmental Pollution Control the firm renting us the equipment has applied 100% of the rental charge toward the purchase of the equipment.

The Epoke TM 60 is 2½ years old and is excellent condition and total rental paid is \$1,000.

Recommendation

Approve the purchase of the Epoke TM 60 Spreader for \$287.50 purchased from Miscellaneous Tools and Equipment Account Number:

| | | |
|-------|-------|-------|
| 02-50 | 71190 | 71.88 |
| 03-55 | 71190 | 71.88 |
| 04-60 | 71190 | 71.87 |
| 07-65 | 71190 | 71.87 |

\$ 287.50
