RE: APPROVAL OF SUCESSFUL BID ON TRACTOR, LOADER AND MOWER

A request for bids was advertised and followed for the above mentioned equipment per the City's approved purchasing policies. The bids received were as follows:

- | | | |
|----|--|-------------|
| 1. | Fischer Mill Supply, Inc
Oregon City OR | \$15,447.00 |
| 2. | Case Power & Equipment
Portland, OR | \$16,397.00 |
| 3. | Lenon Implement Co.
Woodburn, OR | \$16,550.00 |
| 4. | Ernst Hardware
St. Paul, OR | \$18,155.00 |
| 5. | Yeager Ford Tractor, Inc.
Hillsboro, OR | \$19,755.00 |

I have reviewed the bids received for this purchase and concur with the attached recommendation from the City's Property Maintenance Supervisor. Vendor #1 and #2 failed to meet all the specifications required. Vendors #4 and #5 were the two highest bids received.

RECOMMENDATION:

Approve the purchase of the tractor, mower and loader from Lenon Implement Co. of Woodburn, Oregon per their bid in the amount of \$16,550.00.

RE: RECOMMENDATION OF BIDS RECEIVED FOR DIESEL TRACTOR

After reviewing the bids opened March 31, 1987, to see that the specification were met, the apparent low bid provided by Fischer Mill Supply, Inc. does not meet the required specification, due to the low gear box horsepower on the rotary mower.

The second lowest bid from Case Power and Equipment, failed to meet the specifications for the following reasons:

1. Low horsepower on the tractor power take-off
2. Low horsepower on mower gear-box
3. Slip clutch on mower - not included

Other bids received were from Yeager Ford Tractor - high bid, Ernst Hardware - second high bid and the lowest bid which meets the specifications was from Lenon Implement Co. of Woodburn.

Our specifications included under "Additional Equipment", an item for a "tilt wheel". None of the bids received can furnish a "tilt wheel". I believe this is an error on my part in developing the specifications. It should have read "tilt hood". The lowest qualified bid from Lenon Implement does provide for the tilt hood.

I recommend that the City accept the lowest qualified bid from Lenon Implement Co.
